

APEX VAC SOLUTIONS TAS

Vac Truck Operator

Job title: Vac Truck Operator

Work Location: Hobart

Division/Department: Operations

Reports to: 2IC

Full-time
 Part-time

Casual
 Contract

About the Company:

Apex Vac Solutions Tas Pty Ltd are a leading supplier of non-destructive digging/hydro excavation, trenching, potholing, foundation excavation, jet rodding and subsurface utility locating. Following the relocation of our Tasmanian-born Managing Director, we have recently expanded our operation into Hobart, along with our existing service offering through Apex Vac Solutions Pty Ltd in South Australia.

Through our expansion, we have an opportunity for a Vacuum Truck Operator to join our Hobart-based team.

About the Role:

The position of Vacuum Truck Operator is responsible for the safe operation of vacuum units and associated equipment in accordance with current government legislation and company policies and procedures.

This role is on a casual basis with guaranteed hours until successful completion of the 6-month Probationary period, upon which full-time work will be discussed.

Key Duties:

- Operate vacuum units and associated equipment in a safe, responsible and professional manner
- Follow and comply with all government legislation and company policies & procedures
- Participate in all pre-job hazard assessments and inspections prior to using mobile plant and commencing work
- Ensure proper load securement of any hoses, chemical pails or other equipment
- Responsible for transporting, loading and offloading of materials at different locations
- Understand Safety and PPE requirements
- You will be expected to complete relevant documentation for all jobs
- Drive trucks safely to and from work sites
- Work safely at all times
- Manage time effectively
- Ability to undertake some travel as required
- This role is 10 per cent driving and 90 per cent hands on manual work, must be fit and willing to do manual work

What you will bring:

- HR license
- Valid White Card
- TasWater/CDO Induction
- IP
- Prior knowledge or experience of various vacuum units and their operation
- Focus on safety and equipment
- The flexibility, if required, to work weekends, night shifts and overtime
- High Pressure Water Jetting experience (highly regarded but not essential)
- Confined Space and Work at Heights training (highly regarded but not essential)
- Strong work ethic, cleanliness and reliability

Apex Vac Solutions Tas Pty Ltd supports diversity and are an Equal Employment Opportunity Employer; women,

Indigenous and Torres Strait Islanders and people from multicultural backgrounds are encouraged to apply. You must have the right to work in Australia to be considered for this role.

Please submit your CV, including cover letter to admin.tas@apexvacolutions.com.au by COB 4th December 2022.
